

# 4Drawer

KENWOOD

*4Drawer* is a 4-in-1 hand blender set. It includes a grip made of polypropylene and chromed ABS and 4 cables: blender, beater, dough hook, and whisk. This blender was designed to have the smallest size possible, so it can be stored in any kitchen drawer and save storage space. The product and packaging were designed for Kenwood.

**Project** *4Drawer* blender set
